Our staff feel extremely fortunate to work with all the pupils who attend Kingswode Hoe School. I am very proud to be the Headteacher of such a special place. Our school is a unique blend of traditional and modern buildings, approaches and values.

It is particularly rewarding working for a school that puts pupils at the centre and seeks to continue to improve the quality of education for each child while prioritising pupil and staff wellbeing. We enjoy seeing pupils grow, supporting them to learn, helping them become more independent, resilient and ready to face the challenges beyond our doors.

Curriculum outcomes are central to our aim to prepare pupils:

- **Accreditation**
- **Community & Wider World**
- **Employability**
- **Health, lifestyle & wellbeing**
- **Identity & Self Expression**
- **Resilience & Independence**

Our 'grow' ethos guides our approach as staff and sums up how we aim to work with each other, pupils and families:

We are proud to offer:

- Polite pupils who and are active members of our school community
- A school with an excellent track record for staff development and progression due to ongoing targeted bespoke training, career learning and professional development opportunities internally from our diverse staff team, within our academy trust and from evidence-based external organisations.
- An approachable and honest SLT team who are committed to involving others and listening to ideas for positive impact on our pupils and staff
- Opportunities to network with a range of partnership schools both inside and outside the SEAX Trust, from EYFS to Post 16 and across a range of SEN
- Class sizes of 12-16 with 2-3 staff members allocated to each group

A Trust who:

- Puts no limits on what we believe young people can achieve; creating opportunities and meeting individual needs so that our young people can live rich and fulfilled lives
- Has the courage and drive to challenge and champion change to enable equal opportunity and equity for all
- Influences, respects, listens and acts and which in turn is known as a voice to listen to, act upon and respect.
