

There have been some extremes in the weather again during the last week, starting with blazing sunshine and ending with continual rain! Thank you for responding to messages about being equipped for the changing weather and different activities. We hope the 'Wrap, Splat, Hat' campaign family pack sent out with our newsletter this week is helpful so that we can keep safe in the sun.

Year 10 pupils shared some of the work they did towards their Arts Award Explore and highlights for them in music and drama included the Samba workshops some of them had the opportunity to participate in. They also reflected on their involvement in whole school productions such as The Wizard of Oz and performances as part of the harvest festival.

Although we are getting skilled at sharing virtually via Teams, we do really miss inviting parents and carers in to perform to in person and pupils and staff have lots of fond recollections from these creative events.

We are looking forward to a continued focus on creative work and pathways during assemblies in the coming weeks as part of our identity and self-expression outcome.

Wishing everyone a restful weekend.

Mrs Constantine, Headteacher

Year 8 Orchard pupils share their creative art work

Wrap, Splat, Hat family pack sent out with the newsletter this week

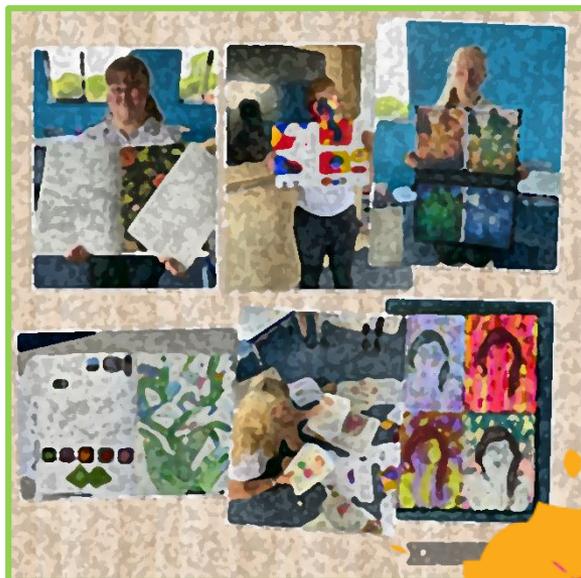

Identity and self-expression

Year 11 design and create their own professional leaving hoodies in the workshop

Pupils have shown superb focus and attention to detail in their design and art work this week, taking pride in some excellent creative outcomes.

Imaginative and expressive work by Year 10 GCSE artists

Year 9 Artist study work

We look forward to seeing more work shared from creative pathways over the next fortnight as part of this important theme.

Last week, Year 11 pupils enjoyed exploring Heybridge Basin which links the glorious Chelsea & Blackwater Navigation to the River Blackwater via a tidal sea lock. Pupils were able to watch a RNLB Lifeboat being lowered in the lock, enabling it to reach the River Blackwater. We discussed how vital the RNLB are, and in what circumstances they may be called upon to help members of the public.

This week, Year 10 visited Highwoods Country Park and discovered parts of the park we have not had a chance to visit before. Pupils also enjoyed, den building activities and even had the opportunity to feed a rather friendly squirrel!

Key Stage 4 out and about

Parent and Carer Communication
Summer term 2021

Kingswode Hoe School
Summer Term Lunch Menu

Week 1 12 April, 4 May, 24 May, 21 June, 12 July

Notices

CONTINUED COVID SAFETY

The delay in lifting of restrictions announced this week reminds us that Covid has not gone away.

Any Covid symptoms or cases must be notified as quickly as possible- please notify if any symptoms or positive LFT results and arrange a PCR test-

Results of Lateral Flow tests should be sent to covid@kingswodehoe.com

- ✓ Thank you to secondary age pupils continuing to test at home- let us know if you need more kits sent out.
- ✓ Masks are still encouraged in school for older pupils and staff where it is not possible to maintain distance.
