

# Friday 9 July 2021

This has been another week that makes all our staff proud to work at Kingswode Hoe.

We have wished our Year 11 leavers farewell with a special celebration assembly and they have conducted themselves incredibly well throughout their last week.

We continue our theme of moving on and transition as we look ahead to September across the school next week and will be preparing pupils to move up.

End of year reports will also be sent out before the end of term showing progress made towards our core curriculum and six outcomes throughout the challenges of the past year.

I would like to take the opportunity to thank everyone supporting pupils at home and helping them to feel positive about the new academic year, whatever it may bring. Also our staff teams for the work they have put in to making this such an enjoyable final week for Year 11.

Mrs Constantine, Headteacher

# Weekly Update

## Final day out

Parent and Carer Communication  
Summer term 2021

Kingswode Hoe School  
What we plant today, we grow tomorrow

Key Stage 4 form groups had the chance to go out in the local area as part of our leavers events this week. Following maths work to cost a full English breakfast during some remote learning sessions earlier this year, Rendlesham class were treated to a superb brunch outdoors at Barn Plants in Stanway, Colchester.

Superb pupil photography from the garden centre visit as a thank you for the staff who made the group so welcome

Award

Identity &  
Self Expression  
Award

Achievement  
Award

A real highlight of the last week for Year 11 pupils was our special leaving assembly shared with classes and parents and carers virtually via Teams.

This wonderful year group showed how much they have grown at Kingswode Hoe, speaking eloquently about their achievements and next steps.

It was an honour for staff to present awards to pupils titled by our six outcomes and Pupil of the Year and Headteacher award.

It was also great to see the fantastic films that Year 11 pupils clearly had a lot of fun putting together and the special film made by Year 10 to wish them good luck as they move on.

Particular thanks to Mr Ganley, Miss Carey and all the Key Stage 4 staff team for making this a very special, moving and enjoyable occasion in tribute to this resilient and caring year group.

**THE  
PERFORMERS**

**The  
Footballers**

**The Rappers**

**The Cool Kids**

**Year 11 Leavers Assembly**

We were delighted to be able to work with our moderator from Trinity College this week who scrutinised work completed by pupils for our three Arts Award courses. She was impressed with the creativity and reflective work from all pupils and particularly enjoyed the video made by our Y11 leavers!

Well done everyone!

**Moderator feedback**

1. Note positive feedback to the adviser on approach to delivery, accuracy of assessment and/or quality of what you've seen
2. Identify any specific parts where assessment was inaccurate and how it didn't meet the evidence requirements
3. Summarise any further developmental feedback to support the adviser's future delivery

An excellent set of portfolios, detailed and very well presented. They demonstrated, clearly, a firm knowledge and understanding, communication and creativity. They were a pleasure to read. The evidence was easily located and the assessments were accurate. Best wishes for all future Arts Award projects.

# Notices

## CONTINUED COVID SAFETY

A case affecting pupils in school reminds us all how important it is to remain vigilant and follow safety guidelines at the moment

Any Covid symptoms or cases must be notified as quickly as possible- please notify if any symptoms or positive LFT results and arrange a PCR test-

Results of Lateral Flow tests should be sent to [covid@kingswodehoe.com](mailto:covid@kingswodehoe.com)

- ✓ Thank you to secondary age pupils continuing to test at home- let us know if you need more kits sent out.
- ✓ Masks are still encouraged in school for older pupils and staff where it is not possible to maintain distance.
